

REMARKS

In response to the restriction requirement issued July 30, 2002 in the above-referenced patent application, Applicants elect for prosecution the invention of Group II, claims 16-29. The remaining claims have been canceled as drawn to a non-elected invention. Applicants reserve the right to prosecute the claims of the non-elected invention in one or more continuing applications.

In addition, Applicants' undersigned attorney submits herewith a change of correspondence address. Entry of the new correspondence address into the record of this application is requested.

Attached hereto is a marked-up version of the changes made to the specification and claims by the current amendment. The attached page is captioned "Version with markings to show changes made."

Respectfully submitted,
